### The Invisible Heart An Economic

Definition: The unobservable market force that helps the demand and supply of goods in a free market to reach equilibrium automatically is the invisible hand. Description: The phrase invisible hand was introduced by Adam Smith in his book 'The Wealth of Nations'. He assumed that an economy can work well in a free market scenario where everyone will work for his/her own interest.

The civil rights movement in the United States was a decades-long campaign by African Americans and their like-minded allies to end institutionalized racial discrimination, disenfranchisement and racial segregation in the United States. The movement has its origins in the Reconstruction era during the late 19th century, although it made its largest legislative gains in the mid-1960s after ...

LOS ANGELES: HBO has started working on a show based on author E Lynn Harris' critically-acclaimed novel series "Invisible Life". The trilogy, which was published in 1990s, centred on a young, gay and Black author who fashioned a deeply moving and compelling coming-of-age story out of the then-highly controversial issues of bisexuality and AIDS.

Snow plowing patterns seem an unlikely subject of a gender study conducted in a small town in Sweden. After all, the town's approach appeared logical and neutral enough on the surface: plow major roads first, particularly those leading into and out of town, followed by smaller local streets. It is the same sequence played out
